Dingley boosts prices for the mill owner, not the laborer. After all the trouble at Fall River, Mass., 600 of the Georgia operators have gone out because they could not work and live.

Comparatively a new product. There was a time when a load of tobacco on the street was a common sight, but Saturday was the first time in years when a load of the weed was peddled out.

The report may be true and it may be false but at the present writing the supposition is that Don Carlos has all the funds he can use and an army ready to spring to arms that will sweep Spain. Poor Spain, she will pay dearly for her iniquities.

The boss hunter, Bert Wood, thinks that he can take a rifle and at one shot get 6 rabbits and 13 quails. A man who has those thoughts is a hunter from huntersville and he will never come home with an empty game bag, if such a thing should happen he will have a story big enough to fill the bag.

The life of H. Gordon Crank, a former employe of the News of this city, was saved by a \$8. He and young Miller Robinson were fooling with a revolver and it was accidentally discharged and the ball struck a silver dollar in Crank's pocket. As it is it made a very painful wound in the groin.

Gen. Shafter says: "It was all right, no more suffering than was necessary to get there." To say the least of it, he puts it in a terse way.

If you want to rent a good gun go to A. Jaeger.

Santa Claus will soon be here and in the mean time he is keeping one eye on the good boys and girls and the other on the bad ones. Are you one of the good or bad ones? If bad look out for poorly filled stockings.

The American Peace commissioners say that the "open door in the Philippines does not mean free trade." What is "Free Trade" or an open door but a law that permits you and I and the world to buy where we can buy the cheapest and sell the dearest? If the door is opened at Manila, how can it be closed at New York or New Orleans?

Colorado makes her boasts of her equitable climate. The few nasty storms that Missouri has, comes from there and we only get the tail end of them. Now comes a tale of woe from New York. Saturday they had a Dakota and Nebraska blizzard with a 60 mile wind and 10 inches of snow. We are glad we are Missourians and live in Missouri.

Beats the Klondike.

Mr. A. C. Thomas, of Marysville, Tex., has found a more valuable discovery than has yet been found in the Klondike. For years he suffered untold agony from consumption, accompanied by hemorrhages; and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at B. O. Wood's Drug Store. Regular size 50cts. and \$1.00.
